EXT. VARIOUS LOCATIONS -- SERIES OF SHOTS -- DAY

1

A VOLCANO ERUPTS, hot lava spews down a lush mountain, to the village below... fires rage... SOUNDS OF PEOPLE SCREAMING...

APOLLO (V.O.)
They used to call them natural
disasters... Acts of God.

A HURRICANE POUNDS a coastal town... flooding roads... snapping trees... shattering windows...

APOLLO, 20's, in mid-flight. The G-force overwhelming as the wind contorts his face...

A TORNADO SPINS over a farming community... destroying everything in its path. Flattening houses... overturning vehicles... farm animals and debris fly through the air.

APOLLO (CONT'D)
In the year 2059... a man with evil
intentions learned how to control
the forces of nature...
