

EXT. PACIFIC OCEAN -- DAY

8

A WAVE CRASHES. We pull back... Sunshine glistens off blue waters... A MAMMOTH WAVE heads for shore... We think it's a tsunami, but now we see...

A LONE FIGURE surfing... MOVING closer... it's CASSANDRA, 20's, riding the wave... BREATHING HEAVILY from the adrenaline rush...

A SERIES OF SHOTS - CASSANDRA - CONTINUOUS

9

As Cassandra surfs on her techno-board...

Her agility is impressive, perfectly angling her body, at one with the giant wave... until she unexpectedly wipes out...
